My dear Friend:

I have been a citizen and resident of Craighead County for forty years, it is my home and I love its people. As Senator I have made special efforts in their behalf, and I feel that my career as United States Senator has reflected some honor upon the people of my county which I like to think of as home folk and friends. Above everything else I want the solid support of the people of Craighead County in my campaign for re-election.

Won't you help me in this contest?

Your friend,

Hattie W. Caraway
