### Preferred Citation

United States Coast Guard Bridge Administration records, Arkansas State Archives, Little Rock, Arkansas.

## **Biographical/Historical Note**

---

The United States Coast Guard Bridge Administration worked closely with state, county, and local officials as well as the United States Army Corps of Engineers on the construction and repair work on bridges over minor waterways and rivers.

---

## **Scope and Contents**

---

The collection contains correspondence, applications for permission to construct bridges, minutes of public meetings, notification papers, blueprints, and plans for construction of the bridges. The records contain information about the local communities, the importance of the bridges, and correspondence from business and community leaders.

---

## **Administrative Information**
