Dec. 27, 1906.

Mr. S. C. Dowell,  
Walnut Ridge, Ark.

Dear Sir:-

Our Mr. Jacob Eichel, President of the Ohio River Contract Company, met Mr. I. Goldman in Los Angeles two weeks ago.

Mr. Goldman informed him that you and someone else were associated with him as commissioners to do some dredging, that is to say to drain some low lands.

We are in this business and whenever you are ready to enter into a proposition to do the work we will be glad to come down and look over the ground and try to make a contract with you to do the work.

Mr. Goldman requested us to write you this letter.

Awaiting your reply, we are,

Yours truly,
