Mr. Mike Masaoka
Japanese American Citizens League
919 Eighteenth Street, Northwest
Washington 6, D. C.

Dear Mr. Masaoka:

It has been some time since we were able to spend the day together in Washington. My delay in writing to thank you for the excellent work which you did in the conferences that day has been due to a slight illness on my part. I am glad to be able to report from my own work desk today. I hope that you are back home after a successful trip to Japan.

I have been delayed in sending a letter to Mr. A. Clark Stratton to express my personal thanks to him for the gracious reception which he extended to us. I shall write him this morning.

When you have a moment of free time downtown I hope you will drop in to see Mr. Ansel Cleary, my wife's brother, who is one of the officials in the Department of Apprentice Training in the Department of Labor. This is the man whom I wanted us to call on that busy afternoon.

With personal greetings and thanks for your fine service in the many fields of our common interest, I am

Very sincerely,

JFH:K

Joseph B. Hunter
