Historical Note

The Arkansas Railroad Club (ARC), founded in 1969, is a non-profit organization of railroad and train enthusiasts. ARC operated as the Little Rock Chapter of the National Railway Historical Society (NRHS), but severed ties with NRHS as of December 31, 2008.

The *Arkansas Railroader* served as the ARC newsletter beginning in January 1970. This newsletter contained club-related information such as upcoming meeting arrangements, meeting minutes, and officer lists. *Arkansas Railroader* also published articles related to historic trains, railroad museums, current railway projects, and featured classified ads for train paraphernalia.

Scope and Contents

This collection largely consists of materials used for research and content development for the *Arkansas Railroader*, the official newsletter for the Arkansas Railroad Club. The types of material included are issues of the *Arkansas Railroader*, newspaper clippings, articles, photographs, newsletter mock-ups, railroad-related publications, and ephemera such as train timetables, tickets, and advertisements.
