4/ to write even one letter. Its funny  
if you lift your pen to think a  
little while or rest your pen goes  
dry at the point even if there  
plenty of ink inside. Well, we  
all will be settling down to  
home soon when we get our  
freight. Even the stamps curl  
up dry. Its dry for everything  
There must be a big air field  
near here because so many  
planes fly by here every day.  
I dont see why they didn't  
just take me to my home  
in California only 500 miles  
from it Home Sweet Home!

Well running out of soap  
and my hands is getting tired  
so I call it a day. Write and  
tell me all about the camp  
and who went where. Who  
took over the camp too.

Well, Mrs Retherford its was nice  
knowing you and I hope I may  
cherish your friendship in the  
years to come, hoping it remain  
the same with you —
