Dear Dr. Hunter:

Thank you for your letter of July 7, advising us that you will be in Washington about the 27th of this month.

We will be very pleased to meet you then and to discuss the situation regarding the WRA center at Rohwer, Arkansas.

Unfortunately, since we last met here in Washington, there have been no new developments, mostly because we have not been able to interest certain individuals here sufficiently to do something about the cemetery there. We would be very pleased to hear of any new ideas that you may have in this regard.

We will look forward to hearing from you when you are in Washington. We will then be able to make a more definite arrangement.

With kindest personal regards.

Sincerely,

Mike Masaoka
Washington Representative
