Title	Tennessee death records
Date [inclusive]	1908-1925
Extent	2.41 Cubic feet 241 microfilm reels
Language	English
Language of Materials	Materials entirely in English.
Microform [Reel]	MG.00607

Preferred Citation

Tennessee Death records, Arkansas State Archives, Little Rock, Arkansas.

Biographical/ Historical Note

Registration of births and deaths began in 1908 in Tennessee, but none exist for 1913. A law became effective in 1914, but vital statistics were not recorded in 1913.

Scope and Contents

The Tennessee death records from 1908-1912 are arranged by certificate number and may include the name of the deceased, county, year of death, age, occupation, place of birth, and cause of death.

The partial index to Tennessee death records, 1914-1925, covers only thirty-eight counties in Tennessee. While it does not include children under age two, the index lists name of deceased, county of death, death date, and the certificate's volume and page number.

The Tennessee death records 1914-1925 can contain name of the deceased, age, death place, death date, gender, birthdate, birthplace, parents' names and birthplaces, occupation, cause of death, and date and place of burial. A complete index to these records is available at www.tn.gov/tsla/history/vital/tndeath.htm.
