New York
June 10. 1871

Dear Governor

Allow me to
tender my congratulations
on the success of the new
State Government of Arkansas.

I have been much sought
after since my sojourn here
by a large number of the
"Solid" men of the City making
inquiries and they all speak
in the highest praise of you
and your administration and
"talk" good for the future
of our State -

Mrs McC Lane's
health is improving under the
care of Dr Parker of this City
and Drs Agnew and Bancroft

who differ with me in that
ranked certain, neither have I
any objection to make for the
a hall in the "State" and
the wing with blocks of co-
-thatched roof - and that it
should not - It has with me
most certainly - I expect
the same news to you in the
one of my, delectable and have
only concern me that my
judgment - for me or least in
the matter was and a con-
-rest - I would like to hear
from you and learn what
arrangement I could expect
to take and how often the
- Finance have what from the
State under your administration
back to
(Over)

of Philadelphia - so much so
that if I live I will be
at home certainly not later
than the first of October
perhaps - perhaps sooner -
I have concluded to
open up at Helena with
a full blooded Republican
newspaper - for the party, that
will sustain the Federal
and State Administrations so
long as they are Republicans,
Should we ever lose the
State I don't want any
of the Democracy in ruin
We have had - in my judg-
-ment fighting enough in
our State among ourselves
and it should cease - should
have ceased long ago - when
the Senatorial fight was
over - I have no complaints
to make against Republicans
