# PROCLAMATION

BY THE

Governor and Commander-in-Chief.

GENERAL ORDER, NO. 7.

HEAD QUARTERS, LITTLE ROCK, }  
May 9th, 1846. }

**W**HEREAS, information to be relied upon, has been received, that actual hostilities have commenced between the United States and Mexico—that our “Army of Occupation” is surrounded by a large body of Mexican troops—and that General TAYLOR has made a requisition upon the States of *Louisiana* and *Texas*, for re-inforcement, to enable him to meet the enemy. And, whereas, it is probable that more troops will be required, and in order to supply them, a call will be made upon this State.

Therefore, I, THOMAS S. DREW, GOVERNOR AND COMMANDER-IN-CHIEF OF THE STATE OF ARKANSAS, make this my *preliminary Proclamation* to all persons under my command, liable to do military duty, to hold themselves ready to be enrolled into the military service of the Union; particularly directing and requiring each and every General of Division, General of Brigade, and Col. of a Regiment, to take, forthwith, all necessary and proper steps to ascertain the strength and condition of their respective commands, in men, arms, and equipments; and to report, at the earliest practicable moment, to the ADJUTANT GENERAL.

Confidently relying upon the patriotism and gallantry of our citizen Soldiers, that in the event of their services being needed, *voluntary enrollment* will supersede the necessity of a *Draft*, I suggest the speedy organization of *Volunteer Companies*, throughout the State.

I cannot deem it necessary to make any other, as there certainly can be no higher appeal to the people of this State, in order to insure their ready and zealous co-operation in the objects of this Proclamation, than a simple announcement of the facts that *War has commenced—that the blood of our fellow-citizens has been shed—and that we shall probably be needed at an early day, to avenge that blood and inflict a just and summary punishment upon the foe.*

THOMAS S. DREW.

the Governor and Commander-in-Chief,  
SOLON BORLAND, *Adj't. Gen.*

**T**HIS remedy, the result of twenty years' experience in the practice of medicine, is now, at the solicitation of numerous individuals who have tested its efficacy, offered to the Public in the form of a Patent Medicine, not as a Catholicon or Universal Panacea, but as an unfailing remedy in a single class of complaints to which females are liable; and which often baffle the skill of the most experienced.—Pamphlets containing a description of the medicine together with testimonials of its efficacy from Physicians of the most respectable standing, may be obtained from the agent.

DE SOTO COUNTY, MISS., APRIL 23d, 1844.

**DR. JOS. G. HALL:**—In answer to yours of the 20th, requesting my opinion of your Compound Mixture for Lencorrhoea, I can say to you, that having used it in two cases of long standing, that had baffled the common remedies, it proved successful in both, and I feel no hesitation in recommending it as an invaluable remedy in such cases.

Respectfully yours,

R. C. HANCOCK, M. D.

HERNANDO, Nov. 5th, 1844.

**DR. JOS. G.
