I do solemnly swear that the above account is correct in each and every particular; that the services and travel therein charged were rendered on the dates as given by me and therein stated; that all meals for prisoners therein charged for were furnished by me and actually cost the sums charged in each case; that the guards named were necessary and performed the service as stated in their several certificates; that all expenses to arrest were actually necessary in serving the process, and that it was impracticable to obtain receipts other than those attached.

I further certify that the defendant was taken before the Circuit Court Commissioner, or the judicial officer having jurisdiction under existing laws, nearest the place of arrest; and that the travel was not free, but was made with cost to the affiant.

Sworn to and subscribed before me this 13th day of July 1896 E.B. Alberty Deputy U. S. Marshal
