United States General Land Office seals, Arkansas State Archives, Little Rock, Arkansas.

Biographical/Historical Note

The General Land Office was an independent agency of the United States government responsible for public domain lands in the United States. It was created in 1812 to take over functions previously conducted by the United States Department of the Treasury. It merged with the United States Grazing Service to become the Bureau of Land Management on July 16, 1946.

Scope and Contents

This collection contains three seals from the United States General Land Office circa 1816-1946.

Administrative Information

Publication Information

Arkansas State Archives 01/31/2012

Conditions Governing Access

This collection is open for research use. The ASA possesses the material listed in this finding aid in the original format, but due to preservation concerns this collection is accessible to the public through microfilm format.

Conditions Governing Use

The copyright law of the United States (Title 17-U.S. Code) governs the making of photocopies or other reproductions of copyrighted material. The person using this material is liable for any infringement.
