## **Biographical/Historical Note**

---

Davis Creek Heritage Photograph Project was a collaboration of the Davis Creek Heritage Organization in Prattsville, Grant County, Arkansas. The heritage project sought to preserve community history through the collection of photographs. The photographs, spanning over one hundred years, include African American images of individuals, military service men, schools, and Davis Creek Missionary Baptist Church.

The project was made possible with a Black History Grant from the Arkansas Humanities Council and Black History Advisory Committee (now the Black History Commission of Arkansas).
