Arkansas Department of Emergency Management - Federal Surplus Property records, Arkansas State Archives, Little Rock, Arkansas.

Biographical/Historical Note

The Arkansas Department of Emergency Management establishes and administers policies and procedures governing emergency management in Arkansas. The agency reviews and executes agreements, contracts, and other documents between state and federal authorities for provision of funds and services related to emergency management programs. Federal Surplus Property is a division of the Department of Emergency Management that acquires property that has been declared surplus by the federal government and transfers it to eligible organizations in the state of Arkansas. These include public agencies, museums, veteran organizations, and other organizations. It is governed by the General Services Administration.

Scope and Contents

This collection contains records from the Arkansas Department of Emergency Management's Federal Surplus Property division dating from 1956 to 2018.
